

AEROCLEAN CITRUS Heavy Duty Degreaser

SOLVENT BASED

Description:

A solvent based, heavy duty citrus based degreasing & cleaning agent.

Intended Uses:

AEROCLEAN CITRUS Heavy Duty Degreaser is a universal cleaning agent that harnesses the natural cleaning power of citrus solvents to effectively cut through stubborn grease, oil, dirt, and grime on various surfaces. This product is suitable for use on engines, machinery, tools, and other soiled surfaces.

Additionally, it serves as an effective pre-treatment cleaning agent before painting and as a post-treatment for removing overspray or dry paint residues. It is highly effective on steel, glass, ceramics, and porcelain, evaporating quickly and leaving no residue.

Features & Benefits:

- Natural Citrus Power: Utilizes plant-based solvents for effective degreasing.
- Heavy Duty Cleaning: Tackles tough grease and grime effectively.
- Pleasant Citrus Scent: Leaves a fresh, clean aroma.
- Versatile Application: Suitable for tools, machinery, and general cleaning.
- Safer Alternative: Often preferred over harsher solvent-based degreasers.

Certifications:

-

Technical Data:

Product Physical Form	Aerosol
Colour	Clear
Method Of Application	Aerosol Spray
Pack Size	400ml Aerosol Can (12 In A Box)
Storage	Store out of direct sunlight in dry conditions between 15°C and 25°C.
Shelf Life	12 months when stored as recommended in original un-opened containers

Application:

Shake can well before use.

**Hold can 15-20 cm from the surface to be cleaned.
Spray the product directly onto the affected area and**

Allow it to sit for 1-2 minutes.
