

AEROCLEAN CITRUS Silicone & Adhesive Remover

SOLVENT BASED

Description:

A solvent based, citrus silicone & adhesive remover.

Intended Uses:

AEROCLEAN® CITRUS Silicone & Adhesive Remover uses natural citrus solvents to safely and effectively dissolve and remove silicone sealants, adhesives, labels, tape residue, and other sticky substances from various surfaces.

This product is suitable for use in a wide range of industries including automotive for removing cured and uncured silicone gaskets and sealants from engine components. Safely lifting decals, vinyl wraps or bumper stickers.

For construction & building maintenance, this product is suitable for effectively dissolving cured silicone caulk and other construction sealants from windows, door frames, bathroom fixtures and preparing surfaces for re-caulking.

In industrial & manufacturing, this product can be used for removing silicone and adhesive buildup on tools, assisting with removing certain silicone-based mould release agents from moulds and overspray on production lines or work surfaces.

Features & Benefits:

- Natural Citrus Power: Utilizes plant-based solvents for effective removal power.
- Safe on Many Surfaces: Less likely to damage sensitive materials.
- Pleasant Citrus Scent: Leaves a fresh, clean aroma.
- Removes Sticky Residue: Effectively dissolves adhesives and sealants
- Easy to Use: Convenient aerosol application for targeted cleaning.
