DOES THE SURFACE MATTER?

Preformed Thermoplastic isn't just compatible with asphalt roads, they also adhere to primed concrete, cement & paving surfaces.

With a well primed surface using **PLASTILINE® Thermoplastic High Tack Penetration Primer** & **PLASTIFORM® Epoxy Primer Rapid Cure** you will enhance adhesion for a secure long-lasting application.

ADULT SCALE

These figures represent the average height of an adult male & female. You can find them throughout the brochure to help you **proportionally visualize** the true scale of the designs.

WHAT IS PLASTIFORM® PLAY PREFORMED THERMOPLASTIC?

THE MATERIAL:

Preformed thermoplastic is UV-stable, ensuring that colours remain vibrant and do not fade in the sun, keeping your playground colourful for years to come.

THE DESIGN & MANUFACTURING:

Games & designs are precision-cut from solid-colour preformed thermoplastic sheets and assembled like a puzzle, seamlessly fitting together. The backs are then glued to hold them in place until the application process begins.

THE INSTALLATION:

All PLASTIFORM® Playground Markings are applied using heat. When melted, they bond securely to the surface, creating a long-lasting, highly durable marking solution that outperforms traditional paint.

In addition to supplying these Games & Designs, we ensure that all installations are carried out by verified professionals with experience working with this product. This guarantees fast, efficient installation with minimal disruption to school schedules.

SAFE FUN

Understanding the rules of the road and how to navigate safely is essential knowledge that lasts a lifetime.

Teaching children road safety from an early age is crucial, and there's no better way to reinforce it than through hands-on learning.

These designs make safety education both engaging and memorable, helping kids grasp its importance in a fun & practical way

IGNITE CREATIVITY

All our games and designs are expertly designed and manufactured in-house. We also create custom designs for clients seeking that touch of originality.

These stunning artworks enhance any environment, igniting creativity & imagination in everyone who experiences them.

BRANDING & DÉCOR

MAKING YOUR TERRAIN YOUR VERY OWN!

Make use of **PLASTIFORM® DÉCO** to brand, decorate or even enhance your school grounds, corporate terrain & roads/streets.

With our wide range of design possibilities, including various colours & shapes. Schools can use their creativity to design crosswalks, sidewalks & play areas that align with their identity, logo, or school spirit, making the space more unique and welcoming.

EXAMPLES OF BRANDING & DÉCOR SOLUTIONS:

- Company logos and branding
- Custom roadway, sidewalk, walkways & pedestrian crossings
- Custom parking lot demarcations, information and symbols
- Instructional and directional information.
- Street names, numbers or identifying & information demarcations e.g. “collection point”, “reception” etc.
- Create place markers and area symbols.

We are able to create, cut & fabricate bespoke logos, icons, images artwork or customized traffic markings, all available in 30 standard colours as well as custom colours on request.

TRAFFIC SAFETY

LET'S PLAY IT **SAFE!**

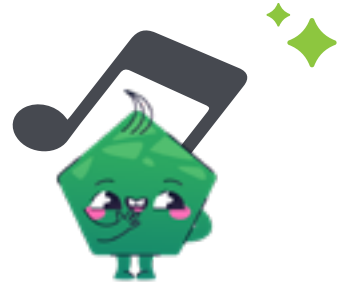

Ensure children, pedestrians & drivers safety inside & outside of the school grounds, with **PLASTIFORM® TRAFFIC & SAFETY Markings**.

We have a wide range of Traffic & Safety designs/stencils that are scaled & precision cut in accordance with the recognized road traffic safety manuals.

FOR MORE INFORMATION, REFER TO OUR PLASTIFORM® TRAFFIC & SAFETY BROCHURE.
